You have been asked to complete this letter of recommendation in support of your student’s application to participate in the International Research Experience for Undergraduates (iREU) Summer program in Paris. This is a 10 week research experience taking place mostly in France, more information is available at www.engin.umich.edu/ipe/iREU. Please answer the following questions honestly, and send the completed form to the address below. Applications are due January 10th, 2022.

Name of Applicant:

How long and in what capacity have you known the applicant?

Based on the character of the student and their ability to contribute to and gain from the program, how strongly do you recommend the student participate in the program?

Place an “X” along the scale below:

<table>
<thead>
<tr>
<th>Highly Recommend</th>
<th>Recommend</th>
<th>Recommend with some reservation</th>
<th>Not Recommend</th>
</tr>
</thead>
</table>

Please rate the applicant in comparison with other students in your institution at similar stages in their careers:

Place an “X” in the appropriate box

Social Awareness

| Exceptional Top 5% | Outstanding Next 15% | Very Good Next 15% | Good Next 15% | Next 15% | No Basis for judgment |

Academic Motivation

Ability to work with others

Oral and written expression

Ability to do technical work
